TO PLACE ORDERS:

- Fill out form and detach
- Make checks payable to:
  Jefferson County SWCD
- Drop off or mail to:
  Jefferson County SWCD
  3767 W. State Road 256
  Madison, IN 47250

(Office Hours: Monday- Friday 8 AM- 4 PM)

Phone: (812) 265-7609 Website:www.jeffersoncounty.in.gov

Deadline: March 20 , 2020

TO PICK UP ORDERS:

Date: May 1, 2020
Time: 4-7 PM
Location: Jefferson County SWCD
3767 W. State Road 256

All plants not picked up will be donated to a community planting project.

All proceeds from this sale will go to P.A.G to promote, educate and enhance pollinator habitats in Jefferson County.

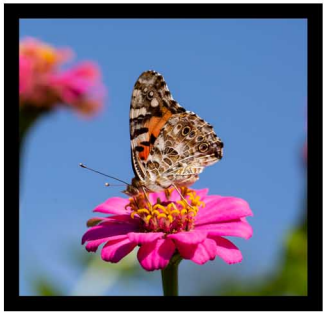
PLANT SALE



Spring 2020

P.A.G
Pollinator Action Group

Our project in Jefferson County is a subcommittee of the Jefferson County Soil and Water Conservation District. We are made up of individuals, businesses, schools, farms, parks, and leaders from across the community. We aim to:

1) educate our community about the role of pollinators in our lives.
2) show people how they can help pollinators
3) establish pollinator habitats throughout the community – at schools, businesses, parks, public spaces, and on private land.

This project will take individuals, groups, the media, businesses, parks, and organizations of the community to build this pollinator plan.

Spence Restoration Nursery

Plants sold by the Jefferson County SWCD are produced by Spence Restoration Nursery in Muncie, Indiana.

They provide high quality nursery-propagated native plant material for the restoration of native plant communities and the creation of environmentally sound natural landscapes.

The network of roots is spread throughout the container with no encircling tendencies. The 2 3/8" square by a 3 3/4" deep open-bottom pot allows production of a healthy root system that spreads rapidly into the soil after the transplanting. Open-bottom pots allow water to move freely into and out of the pot.

Guaranteed true-to-type and in good condition at pickup time. If for some reason your choice of plant is not available we will replace with a comparable plant.

Root System

GET TO KNOW POLLINATORS

WITHOUT POLLINATORS, THE WORLD WOULD BE LESS DIVERSE AND LESS DELICIOUS!

BUMBLEBEES

The champions of food-crop pollinators! Bumblebees are threatened by habitat loss, pesticides and the spread of bee diseases.

FIREFLIES

Common visitors to sunflowers, fireflies are threatened by light pollution, pesticides, pollutants and loss of habitat.

HAWK MOTHS

Night-time pollinators with a super-long tongue to pollinate papayas, orchids and more. They are threatened by habitat loss, insecticides and possibly light pollution.

MONARCH BUTTERFLIES

Majestic migrators that travel up to 3,000 miles one way. They are threatened by deforestation and the loss of California's native milkweeds.

HUMMINGBIRDS

Important pollinators of some wildflowers, hummingbirds are threatened by loss of habitat and insecticides.

Creating & Maintaing Pollinator Habitats

- Plant in clumps of three.
- Choose a variety of wildflowers so that something is in bloom every day/month.
- Choose a variety of colors - different pollinators are attracted to different colors.
- Include host and larvae plants.
- Avoid Hybrids, especially "double blooms" and Pesticides.
- Provide a water source for drinking, logs for nesting, and rocks for basking.
- Leave patches of bare ground for ground-nesting bees.
- Wait to perform garden cleanup until Spring to avoid killing cocoons, chrysalids, and winter food sources for birds.
- Interseed or reseed unwanted bare areas as necessary for continous bloom.
- Remove noxious weeds & exotic invasive plants.
- In large plantings, fall mowing or prescribed burning may be necessary.
- Collect Seeds & Share.
- Be Patient!

LIKE THIS YARD?

CONSIDER THESE TWEAKS TO YOUR LANDSCAPE TO MAKE IT A BEAUTIFUL, POLLINATOR-FRIENDLY ENVIRONMENT.

Common Name: Anise Hyssop
Latin Name: Agastache foeniculum
Type: Herbaceous perennial/ Forb
Family: Lamiaceae
Zone: 4 to 8
Height: 2-4 ft **Spread:** 1.5-3 ft
Bloom Time: June to Sept
Color: White
Sun: Full sun to part shade
Water: Dry to medium
Maintenance: Medium
Suggested Use: Herb, Naturalize
Flower: Showy, Good Cut, Good Dried
Leaf: Fragrant
Attracts: Hummingbirds, Butterflies

1

Common Name: Common Milkweed
Latin Name: Asclepias syriaca
Type: Herbaceous perennial/ Forb
Family: Apocynaceae
Zone: 3 to 9
Height: 2-3 ft **Spread:** .75 ft-1 ft
Bloom Time: June to Aug
Color: Pink - Purple Red
Sun: Full sun
Water: Dry to medium
Maintenance: Low
Suggested Use: Naturalize, Rain Garden
Flower: Showy, Fragrant
Attracts: Butterflies

3

Common Name: Marsh Milkweed
Latin Name: Asclepias incarnata
Type: Herbaceous perennial/ Forb
Family: Apocynaceae
Zone: 3 to 6
Height: 4-5 ft **Spread:** 2 ft- 3 ft
Bloom Time: July to Aug
Color: White, pink, mauve
Sun: Full sun
Water: Medium to wet
Maintenance: Low
Suggested Use: Naturalize, Rain Garden
Flower: Showy, Fragrant
Attracts: Butterflies

2

Common Name: Butterflyweed
Latin Name: Asclepias tuberosa
Type: Herbaceous perennial/ Forb
Family: Apocynaceae
Zone: 3 to 9
Height: 1-2 ft **Spread:** 1-1.5 ft
Bloom Time: June to Aug
Color: Orange
Sun: Full sun
Water: Dry to medium
Maintenance: Low
Suggested Use: Naturalize, Rain Garden
Flower: Showy
Attracts: Butterflies

4

Common Name: Lance-Leaf Coreopsis
Latin Name: Coreopsis lanceolata
Type: Herbaceous perennial/ Forb
Family: Asteraceae
Zone: 4 to 9
Height: 1-2 ft **Spread:** 1-1.5 ft
Bloom Time: May-June
Color: Yellow
Sun: Full sun
Water: Dry to medium
Maintenance: Medium
Suggested Use: Naturalize
Flower: Showy, Good Cut
Attracts: Butterflies

5

Common Name: Tall Coreopsis
Latin Name: Coreopsis tripteris
Type: Herbaceous perennial/ Forb
Family: Asteraceae
Zone: 3 to 8
Height: 6-8 Ft **Spread:** 2-8 Ft
Bloom Time: Aug-Sept
Color: Yellow
Sun: Full sun
Water: Dry to medium
Maintenance: Low
Suggested Use: Naturalize
Flower: Showy, Good Cut
Attracts: Butterflies

6

Common Name: Purple Prairie Clover
Latin Name: Dalea purpurea
Type: Herbaceous perennial/ Forb
Family: Fabaceae
Zone: 3 to 8
Height: 1-3 ft **Spread:** 1-1.5 ft
Bloom Time: July-Aug
Color: Purple
Sun: Full sun
Water: Medium
Maintenance: Low
Suggested Use: Naturalize
Flower: Showy
Attracts: Butterflies

7

Common Name: Purple Coneflower
Latin Name: Echinacea purpurea
Type: Herbaceous perennial/Forb
Family: Asteraceae
Zone: 3 to 8
Height: 2-5 ft **Spread:** 1.5-2 ft
Bloom Time: June-Aug
Color: Pink
Sun: Full sun to part shade
Water: Dry to medium
Maintenance: Low
Suggested Use: Naturalize
Flower: Showy, Good Cut
Attracts: Birds, Butterflies

8

Common Name: Boneset
Latin Name: Eupatorium perfoliatum
Type: Herbaceous perennial/ Forb
Family: Asteraceae
Zone: 3 to 8
Height: 3-5 Ft **Spread:** 3-4 Ft
Bloom Time: Aug-Sept
Color: White
Sun: Full sun to part shade
Water: Medium to wet
Maintenance: Low
Suggested Use: Rain Garden
Flower: Showy, Good Cut, Good Dried
Attracts: Butterflies

9

Common Name: Spotted Joe-Pye Weed
Latin Name: Eutrochium maculatum
Type: Herbaceous perennial/ Forb
Family: Asteraceae
Zone: 4 to 9
Height: 4-6 Ft **Spread:** 2-4 Ft
Bloom Time: Aug- Sept
Color: Pink
Sun: Full sun
Water: Medium
Maintenance: Low
Suggested Use: Water Plant, Naturalize
Flower: Showy, Fragrant
Attracts: Butterflies

10

Common Name: Gentiana andrewsii
Latin Name: Bottle Gentain
Type: Herbaceous perennial/ Forb
Family: Gentianaceae
Zone: 3 to 7
Height: 1-2 ft **Spread:** 1-1.5 ft
Bloom Time: Sept-Oct
Color: Blue
Sun: Sun to Part Shade
Water: Medium
Maintenance: Low
Suggested Use: Naturalize
Flower: Showy

11

Common Name: Rattlesnake Master
Latin Name: Eryngium yuccifolium
Type: Herbaceous perennial/ Forb
Family: Apiaceae
Zone: 3 to 8
Height: 3-4 ft **Spread:** 2-3 ft
Bloom Time: July-Sept
Color: White
Sun: Full Sun
Water: Dry to Medium
Maintenance: Low
Suggested Use: Naturalize
Flower: Showy

12

Common Name: Swamp Rose Mallow
Latin Name: Hibiscus moscheutos
Type: Herbaceous perennial/ Forb
Family: Malvaceae
Zone: 5 to 9
Height: 3-7 ft **Spread:** 2-4 ft
Bloom Time: July-Sept
Color: White-Pink
Sun: Full sun
Water: Medium to wet
Maintenance: Low
Suggested Use: Rain Garden
Flower: Showy
Attracts: Butterflies

13

Common Name: Columbine
Latin Name: Aquilegia canadensis
Type: Herbaceous perennial/ Forb
Family: Apiaceae
Zone: 3 to 8
Height: 2-3 ft **Spread:** 1-2 ft
Bloom Time: May-June
Color: Orange/yellow
Sun: Part Sun- Shade
Water: Medium
Maintenance: Medium
Suggested Use: Naturalize
Flower: Showy, Good Cut
Attracts: Hummingbirds

15

Common Name: Dense Blazing Star
Latin Name: Liatris spicata
Type: Herbaceous perennial/ Forb
Family: Asteraceae
Zone: 3 to 8
Height: 2-4 ft **Spread:** .75 ft- 1.5 ft
Bloom Time: July-Aug
Color: Purple
Sun: Full sun
Water: Medium
Maintenance: Low
Suggested Use: Rain Garden
Flower: Showy, Good Cut, Good Dried
Attracts: Birds, Butterflies

14

Common Name: Great Blue Lobelia
Latin Name: Lobelia siphilitica
Type: Herbaceous perennial/ Forb
Family: Campanulaceae
Zone: 4 to 9
Height: 2-3 ft **Spread:** 1-1.5 ft
Bloom Time: Aug-Sept
Color: Blue
Sun: Full sun to part shade
Water: Medium to wet
Maintenance: Low
Suggested Use: Naturalize, Rain Garden
Flower: Showy

16

Common Name: Bergamot
Latin Name: Monarda fistulosa
Type: Herbaceous perennial/ Forb
Family: Lamiaceae
Zone: 3 to 9
Height: 2-4 ft **Spread:** 2-3 ft
Bloom Time: July to Aug
Color: Lavender
Sun: Full sun to part shade
Water: Dry to medium
Maintenance: Medium
Suggested Use: Herb, Naturalize, Rain Garden
Flower: Showy, Fragrant, Good Cut, Good Dried
Leaf: Fragrant
Attracts: Hummingbirds, Butterflies

17

Common Name: Yellow Coneflower
Latin Name: Ratibida pinnata
Type: Herbaceous perennial/ Forb
Family: Asteraceae
Zone: 3 to 8
Height: 3-5 ft **Spread:** 1.5- 2 ft
Bloom Time: July-Aug
Color: Yellow
Sun: Full sun
Water: Medium
Maintenance: Medium
Flower: Showy
Attracts: Butterflies

18

Common Name: Little Bluestem
Latin Name: Schizachyrium scoparium
Type: Ornamental grass
Family: Poaceae
Zone: 3 to 9
Height: 2-4 ft **Spread:** 1.5-2 ft
Bloom Time: Aug-Sept
Color: Medium
Sun: Full sun
Water: Dry to medium
Maintenance: Low
Suggested Use: Rain Garden
Flower: Insignificant
Leaf: Good Fall

19

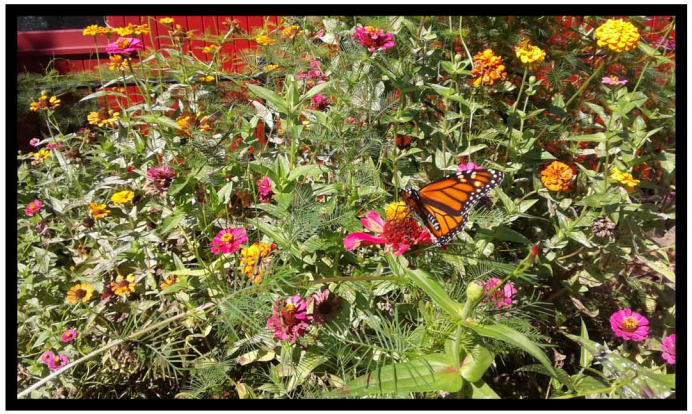
Common Name: Prairie Dropseed
Latin Name: Sporobolus heterolepis
Type: Ornamental grass
Family: Poaceae
Zone: 3 to 9
Height: 2-3 ft **Spread:** 2-3 ft
Bloom Time: July-Sept
Color: Brown-tinted
Sun: Full sun
Water: Dry to medium
Maintenance: Low
Suggested Use: Ground Cover, Naturalize, Rain Garden
Flower: Showy, Fragrant
Leaf: Good Fall
Attracts: Birds

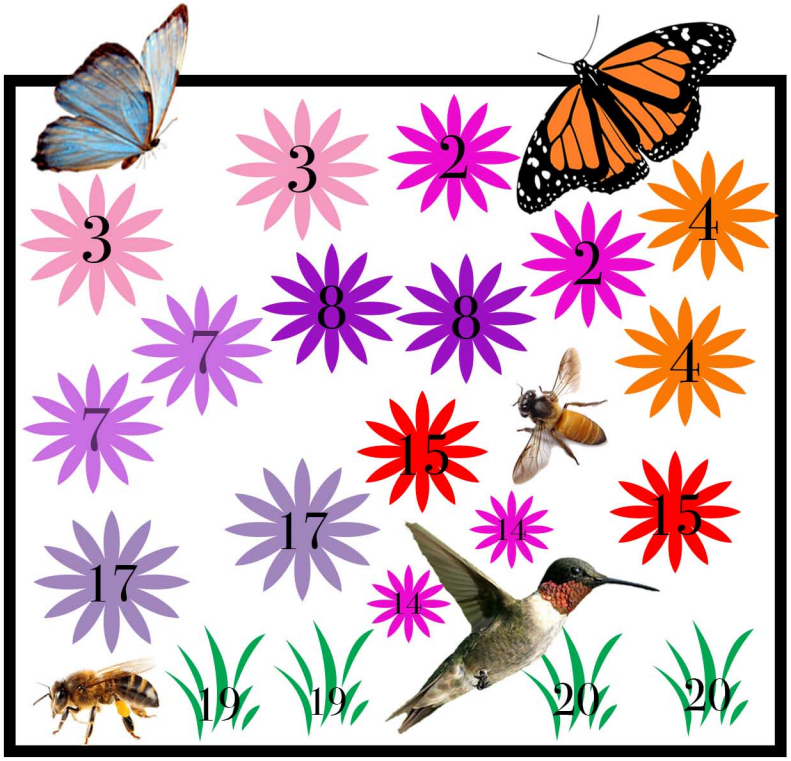
20

Combos

Not sure what to plant? We can help!

We've put together five different "combo" packs. These are bundles of 10 or 20 (depending on the combo). These are plants that work well together in our area and are great at attracting pollinators throughout the season. For each combo, we have a diagram for how you can arrange the plants.





Plant Key

1 Anise Hyssop
2 Marsh Milkweed
3 Common Milkweed
4 Butterflyweed
5 Lance- Leaf Coreopsis
6 Tall Coreopsis
7 Purple Prairie Clover
8 Purple Coneflower
9 Boneset
10 Spotted Joe- Pye Weed
11 Bottle Gentian
12 Rattlesnake Master
13 Swamp Rose Mallow
14 Dense Blazing Star
15 Columbine
16 Great Blue Lobelia
17 Bergamot
18 Yellow Coneflower
19 Little Bluestem
20 Prairie Dropseed
21 All Star Combo
22 Butterflies & Bees Combo
23 Honey Bee Combo
24 Hummingbird Combo
25 Monarch Combo

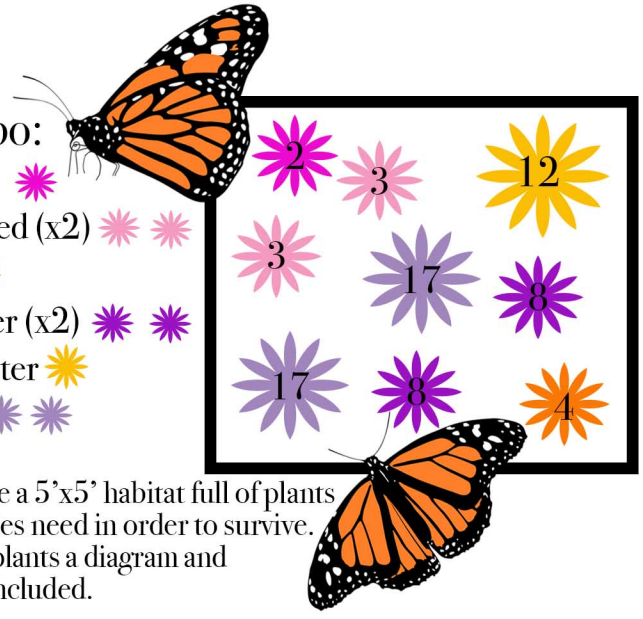
All Star Combo:

2 Marsh Milkweed (x2)
3 Common Milkweed (x2)
4 Butterflyweed (x2)
7 Purple Prairie Clover (x2)
8 Purple Coneflower (x2)
14 Dense Blazing Star (x2)
15 Columbine (x2)
17 Bergamot (x2)
19 Little Bluestem (x2)
20 Prairie Dropseed (x2)

This combo will create a 12'x12' habitat full of the most requested pollinator plants. In addition to the 20 plants a diagram and instructionsare also included.

Monarch Combo:

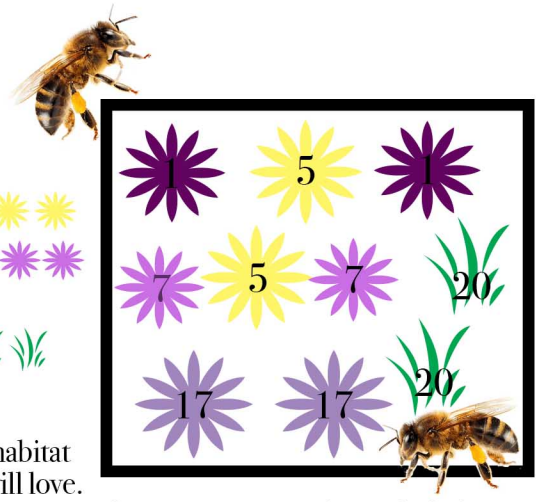
2 Marsh Milkweed
3 Common Milkweed (x2)
4 Butterflyweed
8 Purple Coneflower (x2)
12 Rattlesnake Master
17 Bergamot (x2)



This combo will create a 5'x5' habitat full of plants that Monarch Butterflies need in order to survive. In addition to the 10 plants a diagram and instructions are also included.

Honey Bee Combo:

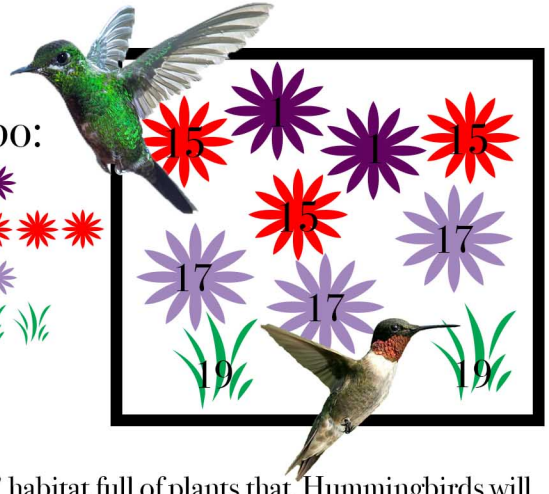
1 Anise Hyssop (x2)
5 Lance leaf coreopsis (x2)
7 Purple Prairie Clover (x2)
17 Bergamot (x2)
20 Prairie Dropseed (x2)



This combo will create a 5'x5' habitat full of plants that Honey Bees will love. In addition to the 10 plants a diagram and instructions are also included.

Hummingbird Combo:

1 Anise Hyssop (x2)
15 Columbine (x3)
17 Bergamot (x3)
19 Little Bluestem (x2)



This combo will create a 5'x5' habitat full of plants that Hummingbirds will love. In addition to the 10 plants a diagram and instrtuctions are also included.

Butterflies & Bees Combo:

3 Common Milkweed (x2)
4 Butterflyweed
6 Tall Coreopsis
8 Purple Coneflower (x2)
12 Rattlesnake Master
17 Bergamot (x2)

This combo will create a 5'x5' habitat full of plants that Butterflies and bees will enjoy. In addition to the 10 plants a diagram and instructions are also included.
