CAUSE NO. 39D01-MC-1212-1402

ORDER

Indiana Code 35-33-8-3.2 authorizes an Indiana Court to order the Clerk to retain a portion of a cash bond deposit in an amount not to exceed ten percent (%10) of the monetary value of the deposit or fifty dollars (\$50), whichever is the lesser amount, as an administrative fee. That statute further provides that the court may require the Defendant, and each person who makes a cash deposit on behalf of the Defendant, to execute an agreement that allows the Court to retain all or part of the cash to pay publicly paid costs of representations and fines, costs, fees and any restitution that the Court may order the Defendant to pay if the Defendant is convicted.

The courts of record in Jefferson County, Indiana hereby find that such fees should be collected by the clerk of courts and such agreement should be executed by each Defendant and each person who makes a cash deposit on behalf of a Defendant for bail, and it is SO ORDERED this 29th day of November 2012.
